

Motorized Incursion Form

Full Name

Address

City

State

Zip

Phone

E-mail address

Date the incident was observed

Location (Name of the Forest, Park or Area)

Trail Name

What type of activity or damage did you see?

Do have a vehicle description or plate number?

Did you take photos? Yes No

Did you report this incident to the local authorities? Yes No

If so, please provide the name of the person in the agency.

Additional Comments:

May we release your contact information to police or land management officials? Yes No

Occasionally, hikers encounter illegal use of motorized vehicles—motorcycles, off-road vehicles or 4-wheel-drive vehicles—in the backcountry. It's important to document these incidents, whether it's a vehicle entering wilderness or motorized recreation on a non-motorized trail.

Please use this form to report illegal use of motorized vehicles you encounter in the backcountry. You may mail the completed form to Washington Trails Association, 2019 Third Ave., Suite 100, Seattle, WA 98121. An online version of this form is available at:

www.wta.org/action/action-center/Reporting-Form

Washington Trails Association created this form in an effort to help land managers better track illegal motorized activity in the backcountry. If you have an encounter with what you believe to be unauthorized vehicles on or off a trail, please provide us with information on that encounter. When appropriate, we will pass these details along to the proper authorities. WTA will gather data from these forms and will summarize the results in a report to inform land managers of the extent of the problem. If you have questions about your encounter, or this form, please contact WTA advocacy director Jonathan Guzzo at (206) 625-1367 or jonathan@wta.org.
