About Washington Trails Association

Washington Trails Association (WTA) is the nation's largest state-based trail nonprofit. For 60 years, we've been mobilizing public lands advocates, trail stewards and on-the-ground hiking experts in pursuit of our vision of Trails for Everyone, Forever. Each year, with the support of over 23,000 donating members, WTA staff and more than 3,500 volunteers perform over 160,000 hours of trail maintenance across the state. Through our online Hiking Guide and Trailblazer app, we help hundreds of thousands of people find trails, from everyday adventures to backcountry explorations. Our vision depends on fostering an organization and outdoor community where all people are welcome, represented and included.

About this opportunity

WTA seeks a Trail Crew Leader to advance our mission to mobilize hikers and everyone who loves the outdoors to explore, steward and champion trails and public lands. The Trail Crew Leader will contribute to the overall success of WTA by leading single and multiday volunteer trail work parties, initially in the South Puget Sound area and Mount Rainier National Park thereafter. The Trail Crew Leader will work in both frontcountry and backcountry locations and will focus on a broad range of trail projects including annual maintenance, new trail construction, logout and construction of trail structures. On backcountry hikes the Trail Crew Leader will be predominantly self-supported and required to carry their tools, food and camp supplies into remote settings.

The ideal candidate will love working with people outdoors and share our commitment to trail stewardship and volunteerism. They will have prior experience with trail work, leading a team outdoors and share our belief that everyone should feel safe and included in the outdoor community. The Trail Crew Leader will contribute to the overall success of WTA by ensuring that all work is completed to specification by our land management partners and by cultivating a sense of safety and belonging at worksites for crew members of diverse identities, experiences and backgrounds.

The Trail Crew Leader is a temporary, full-time, non-exempt position based in Puyallup **and** then in Mount Rainier National Park. This position reports to the South Puget Sound Trails Coordinator.
