Inspiring Hikers to Create Trails for Everyone, Forever

Washington is home to extraordinary hiking destinations, including desert dunes, wild beaches, tranquil mountain tops and raging rivers. Washington is also home to a community of people who are passionate about exploring and protecting these places. This constituency—our members and supporters—is key to the future of trails in Washington.

Washington Trails Association (WTA) is the nation's largest hiking and trail maintenance nonprofit. We have a 50-year legacy of engaging the hiking community to ensure Washington's trails stand the test of time. With more than 27,000 members and an online community of over 300,000 and growing, we are connecting people to the outdoors—from everyday adventures to backcountry explorations. Each year 4,500 WTA volunteers perform over 160,000 hours of trail maintenance across the state. We mobilize hikers as public lands advocates, trail stewards, and on-the-ground experts sharing knowledge with fellow hikers. WTA's strength is our community and our vision depends on fostering an inclusive organization where everyone feels welcome and represented. Together we can ensure there are trails for everyone, forever.
